

# Martensville Bantam AA Fall Camp

Hello Martensville area hockey players and families. Our Bantam AA Fall Tryout Camp dates have been finalized. Due to a new Saskatchewan Hockey Association regulation, all peewee and bantam players are required to tryout at the AA centre that is closest to their home. We hope all 1996 and 1997 born players who live closest to Martensville are able to attend our camp.

Our 2010 tryout camp will consist of drills designed to evaluate skill and scrimmages to observe players in game action. The main portion of camp will conclude on Sunday September 12th, at which time we will release the majority of the players who will not make our final squad. We intend to schedule some exhibition games for the week following camp, and for this reason we may carry a few extra players in order to make final evaluations during game situations. We hope to finalize our roster in the days following camp.
