KidSport™ Martensville

KidSport is a children's charity dedicated to assisting children ages 5-18. Families facing financial obstacles will be provided with the opportunity to participate in community sport programs. The primary goal of KidSport should be for ALL kids to play and have fun!

How Does the Program Work?

Individual grants of up to \$750 are available per calendar year for children or youth up to the age of 18. Application forms for KidSport are available at the MAP.

How Can YOU Help?

Support KidSport through purchasing raffle tickets, attending events, purchasing cut outs or simply making a donation. Tax receipts are provided for any donation over \$25.00. 100% of donations and fundraising proceeds support children right here in Martensville.

Jumpstart

Jumpstart is a community based charitable organization that helps kids in need participate in organized recreational activities. This program will also help to fund equipment costs. The jumpstart application is on-line at <https://jumpstart.canadiantire.ca/pages/individual-child-grants>.

Intercommunity Development Group

The Intercommunity Development Group consists of members from Martensville, Warman, Osler, Dalmeny, and Langham. The primary focus is to raise funds for children who wish to participate in arts, culture, drama, or recreation not covered by KidSport or Jumpstart.

Sask. Lotteries Community Grant

The purpose of the Sask. Lotteries Community Grant program is to provide funds to local, non-profit and volunteer-based organizations whose sole purpose is to provide programs and services in the sport, culture, or recreation sector. The project or event must take place between April 1st and Mar. 31st of the following year. Applications are accepted in February each year.

Private Lessons

Private lessons are a way to personalize your lesson to suit the needs of any swimmer. They are a good option if your swimmer has only a few items left to complete a level, needs feedback and correction on certain strokes or just needs one-on-one time with their instructor to build confidence. Private lessons can be booked as a one-time clinic session or can be used to complete a level. If you are trying to complete a level, a minimum of five private lessons must be purchased at time of enrolment. The instructor may request additional lessons if they are unable to meet the goals of the swimmer in the time provided.

To Register:

Email aquatic@martensville.ca to request an available time. Private lessons are paid for at the time of booking. Private lessons are booked at a rate of \$30.00 per half hour.

SUM Theatre in the Park - Sun June 18th

We are very excited to be bringing SUM Theatre to Martensville again this year. Theatre in the Park is a summer tradition for many people in Saskatchewan. It is suitable for all ages and is FREE of charge. There are no tickets - all you need to bring is a blanket or something to sit on. The event will be held in Lions park on Sunday June 18th at 3:00pm.

Theatre in the Park enters its 11th season with Zero Gravity, a Sci-Fi exploration of climate breakdown and what will happen if we don't start changing the way we live on Mother Earth. There is "No Planet B" and if we continue to use up her resources, what will be left for future generations? Come take a journey with us, with Dr Einstein Reez who carries the weight of the world on his shoulders, as he searches for a solution to save his children and the rest of the world.

Theatre in the Park is an original play offered free of charge in neighbourhood parks around Saskatchewan in May and June. As always, we create our production in response to current issues. It's fun and thought-provoking performance for people of all ages. Catchy original music and colourful sets, props and costumes bring our stories to life.

Preference for allocation of these plots will be given to those individuals who have no available land to garden (ie: those living in apartments, condos). Residents of Martensville will receive first choice. For inquiries please call 306-291-7977 or e-mail lennea@sasktel.net.

Bench Dedication & Tree Planting Programs

The Bench Dedication and Tree Planting programs were implemented for the purpose of providing benches and trees along the community walking paths, parks and designated boulevards. These benches and trees may be purchased through sponsorship, advertising, memorial or for a commemorative event or a person. For further information please contact the Parks and Facilities Manager at 306-683-5578 or dcrowe@martensville.ca.

Outdoor Pickleball & Tennis Courts

The City of Martensville has three outdoor tennis courts located in Kinsmen Park and five outdoor pickleball courts at the outdoor rink located at the Sports Centre. Pickleball Nets will be set up Tuesday and Thursday from 10:00am-3:00pm May-September weather pending.

Kinsmen Park

With over 100 acres of green space located in the heart of the City of Martensville, Kinsmen Park is Martensville's destination park. From sport activities to casual leisure enjoyment, Kinsmen Park is a great meeting place for family and friends. Amenities include a three kilometer lit pathway system that connects directly to the City pathway system, 9-hole disc golf course, 2 outdoor fitness pods with 11 pieces of equipment, park benches, picnic shelter, toboggan hill, 3 tennis/Pickleball courts, full size outdoor basketball court, playground, community garden, fishing, and gazebo.

Kinsmen Park is also home to the Kyle Syrenne Skatepark, a new Pump Track, Martensville Slo-Pitch diamonds, and is connected to the Martensville Athletic Pavilion, Mocon Baseball fields, North Ridge Community Centre, multi-purpose sports fields, the Martensville Aquatic Centre, and three additional ball diamonds.

Off-Leash Dog Park

The off leash Dog Park is a year round park located on 10th Ave S. This is the only area in Martensville that permits dogs off leash. Patrons are reminded to obey park rules which are posted at the entrance to the park by the parking lot. Users of the Off Leash Dog Park will find a large open space for dogs to run as well as pathways within the treed area of the park. Residents can access the parking lot by vehicle via the alley off 8th Street South and by foot using the pedestrian bridge off the paths behind Glenview.

Cemetery

The site is located east of Martensville at the south-east corner of Township Road 384 and Range Road 3052. Phase I of the cemetery includes 296 casket lots, 282 cremation lots, half of which can accommodate two cremated remains. Phase I also includes a columbaria section where remains can be stored. The cemetery will be operated out of City Hall. Anyone interested in a cemetery lot may call 306-931-2166 to inquire about the plots. The cemetery design, bylaws, floral and monument regulations, and information on licenses and fees are available at www.martensville.ca.

Pathways/Walking Trails

Residents can enjoy over 10 kms of lit paved pathways that intertwine within the various parks, sporting facilities and linear parks. These pathways connect the community from the south to the north. The pathways that are in the community are cleared throughout the winter. If you notice a pathway not cleared, please contact the Parks and Facilities Manager at 306-683-5578. Please note that it is not the City's practice to put salt on pathways and users are advised to use caution.

Recreation & Community Services

Pump Track

The City of Martensville is very excited about this new facility that opened in the summer of 2021. It is a great facility that is connected directly to the Kyle Syrenne Skatepark.

So what is a Pump Track?

- A pumptrack is a course containing hills and berms that are ridden by “pumping” with your arms and legs to propel yourself forward rather than pedaling or pushing.
- It allows for good riding conditions rain or shine and is good for all wheels as well!
- If it has wheels, it can be enjoyed on this track. – Bikes, Scooters, Boards, Blades, Wheelchairs, Striders
- It promotes a healthy, active outdoor lifestyle.
- It allows for opportunity to engage with others who would not typically engage in a team-sport setting.
- It teaches balance and coordination which are useful tools for any sport.
- They are fun!

Canada Day in Martensville!!

This year is Canada's 156th birthday, and we are excited to celebrate with you!! Check out the 15th annual Canada Day celebrations right here in Martensville!

We are already busy planning a great day!! There will be lots of great FREE activities for all ages. The day kicks off in the afternoon, starting with an Art Show and Community History Showcase closely followed by activities, crafts, games, scavenger hunt and more. To add to this, cupcakes and ice cream are served to the first 100 people. The event will continue into the evening. We will also hope to have guest appearances and entertainment throughout the day.

The feature event of Canada Day in Martensville is the fireworks display and the Cinema Under the Stars – a GIANT 3 storey inflatable movie screen in Martensville. Once again, the Martensville Information and Visitor Centre is working hard to get a brand NEW animated movie, one that is so new that it's still in theatres and won't be available on video yet. Pack your vehicle, bug spray, blankets, lawn chairs and join the fun!

Please watch for a more detailed list of events to come.

We are always looking for volunteers to help with planning this event and to help throughout the day. For further information please call the Martensville Information & Visitor Centre at 306-242-0362 or email us at martensvilleinfo@sasktel.net.

Canada Day Committee & Event Volunteers

It's Canada's 156th Birthday in 2023, and the Canada Day Committee needs your help!!! This fun filled one day event takes a lot of preparation and there are many jobs, big and small, that can only be accomplished with the help of volunteers. We're looking forward to a great event; the inflatable movie screen is already booked, and we are getting excited to celebrate together!!

Our goal is to celebrate our nation's birthday right here in our own community. We still need help with planning games and activities, finding grants and sponsorships, gathering prizes, and finding people to help on Canada Day!!

Contact us if you can help! From planning, to volunteering on event day, and everything in between, we are looking for great local people to help. No experience necessary. Please call the Martensville Information & Visitor Centre at 306-242-0362 or email us at martensvilleinfo@sasktel.net
