
Lane and General Clean-up

Fall 2023

The City of Martensville would like to supply the residents with information regarding the annual “Lane and General Clean-up” program. Our Public Works Department with the help of Urban Camp will be out during specified dates to pick up items that are listed below. It is our hope that by offering this service it will eliminate the amount of trash and debris that is dumped in back lanes, at the City yard waste depot, and business/contractor dumpsters. This program is intended for residential household yard cleanup waste, and not intended for commercial and industrial business waste. It is the responsibility of residents to ensure that their waste is disposed of properly. Any waste not picked up or not meeting the criteria for pickup must be disposed of properly through an approved disposal means to avoid prosecution under the Waste Bylaw.

List of Acceptable Items

- Household appliances - (fridge, stove & freezers, all doors must be removed)
- Furniture
- Torn down fence material (four-foot lengths & tied)
- Garden refuse, leaves & grass clippings (all bagged)
- Tree Branches (four-foot lengths & tied)
- Pieces of scrap material including material from small renovations (four-foot lengths & tied)

Items That Will Not Be Picked Up

- Hazardous materials
- Rocks
- Sod, topsoil, and gravel
- Any liquids
- Construction materials
- Car parts
- Tires
- Computers & parts
- Batteries
- Televisions
- Concrete

Where can I dispose of items you aren't picking up?

More information on available services for disposal of special items as well as a list of places to recycle some of the above items is listed on the City website under *Services For Residents/Waste & Recycling*. Notices about special collection events such as Hazardous Household Waste Collection Day will be posted on the City of Martensville website as information becomes available.

2023 Collection Schedule

Residents that live **North of Main Street** will have their items picked up the week of September 25th-28th. All items will need to be out by **September 25th - 8:00 AM**.

Residents that live **South of Main Street** will have their items picked up the week of October 2nd -6th. All items will need to be out by **October 2nd - 8:00 AM**.

Please note that the City will be making one pass only.

When can I place items out for collection?

All residents with back lanes shall not place any items out in the lane until **one week** prior to pick-up each year. All residents without back lanes shall not place any items curbside until **one day** before pick-up. Please ensure that the items placed in the lanes and curbside are not restrictive to traffic and you do not have anything in the lane that you do not want removed. **The City will not be responsible for anything left in the back lanes by residents.**

Please kindly keep the lane bordering your property maintained to ensure a safe and quick collection.

Thank you for your cooperation in making this event a success!
