## Martensville Road Construction

June 2020

---

Additional road repairs are scheduled for June 15<sup>th</sup> – June 17<sup>th</sup> on 3<sup>rd</sup> Street North and 5<sup>th</sup> Street South. Locations of the closures are shown below.

### 5<sup>th</sup> Street South

Starting **June 15**, paving crews will be doing patch work on 5<sup>th</sup> Street South which will require partial closures on the street. Traffic will be limited to local traffic only. The patch areas are currently marked with orange spray paint. Any residents whose driveways front onto these marked out areas may not have access into their driveways the morning of June 15. Starting **June 16** there will be a full closure on 5<sup>th</sup> Street South in its entirety for the day. We understand this will be large inconvenience for residents on 5<sup>th</sup> Street South as well as on 3<sup>rd</sup> Avenue South as this roadway is also shut down for the sanitary main replacement currently happening. We apologize for this scheduling conflict and will ensure the road closures are held to a minimum.

### 3<sup>rd</sup> Street North

---

3<sup>rd</sup> Street North from 5<sup>th</sup> Avenue North to 8<sup>th</sup> Avenue North will be closed for the day on June 17. Residents who front this section of 3<sup>rd</sup> Street North will not have access from their driveways the morning of June 17. We apologize any inconveniences this may cause, and again will do our best to ensure closures are held to a minimum.
