JOB POSTINGS

The City of Martensville is a great place to work, providing competitive wages and benefits, participation in the Municipal Employees' Pension Plan, and a fantastic team environment.

We are a community of families, friends and neighbours who work, play, and grow together in a safe, active, and healthy environment; Martensville is also a great place to call home.

Martensville is located eight kilometres north of Saskatoon and is just a short drive from the John G. Diefenbaker International Airport via the double-lane Highway 12 from Saskatoon.
