Fitness Classes

Aqua Intense

Are you ready to work? Our Aqua Intense class is designed for those looking for a serious cardiovascular and strength workout in the water. We will challenge your balance and help you achieve the fitness goals you desire. NO swimming experience is necessary although comfort in the water is important.

Ball & Strength

This class focuses on ball exercises and incorporates handheld weights. It is a fusion of athletic, yoga, and pilates disciplines using the ball. This class will get your heart rate up but is more for muscular strengthening, core strength, and balance.

Gentle Yoga

Practice the form of the basic yoga postures, while allowing yourself to experience a gentle slower paced class. Attention to connecting breath mindfully to move through the postures and creating a balance for greater health and mental awareness. Mats and props are available if needed.

Pilates

A system of exercises using resistance bands and body weight, designed to improve physical strength, flexibility, and posture, and enhance mental awareness.

POUND

Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out.

YIN Yoga

Yin Yoga is a passive yoga practice that targets deep connective tissues, fascia, ligaments, joints, and bones. It's slower and more meditative, giving you space to turn inward and tune into both your mind and the physical sensations of your body. In Yin Yoga, we hold poses for a longer length of time, allowing moments of stillness to connect with your breath and body awareness as we lengthen the tissues. Myofascial release(MFR) exercises will be incorporated by applying gentle pressure to tissue restrictions and knots in the body. Using props combined with yin yoga poses we strive to target and help reduce tension, discomfort and restore.

*suitable for all levels. Props provided & utilized.

Yoga4Backs

This workshop focuses solely on the spine using a dense foam spinal strip. Finding stillness laying on the prop (in various ways) for extended time can provide relief from pain in back, neck and shoulders. It can also bring more flexibility to the spine. Beneficial for everyone especially those who spend a lot of time sitting or are in a bent position most of the day. No experience necessary. Mats & props available for use at the workshop.

Zumba

Zumba is a fusion of Latin and international music that will make you sweat. Interval training at its best. Be prepared to ditch your normal workout and join the party. Featuring samba, meringue, reggaeton steps and more. Bring your water bottle and a towel.

Recreation & Community Services

Community Garden

The City of Martensville has developed two community garden spaces, one in Kinsmen Park and one along 9th Avenue N. near the cart track. Interested individuals are asked to please submit their names requesting a plot. Preference for allocation of these plots will be given to those individuals who have no available land to garden (ie: those living in apartments, condos). Residents of Martensville will receive first choice. For inquiries please call 306-291-7977 or e-mail lennea@sasktel.net.

Bench Dedication & Tree Planting Programs

The Bench Dedication and Tree Planting programs were implemented for the purpose of providing benches and trees along the community walking paths, parks and designated boulevards. These benches and trees may be purchased through sponsorship, advertising, memorial or for a commemorative event or a person. For further information please contact the Parks and Facilities Manager at 306-683-5578 or dcrowe@martensville.ca.

Kinsmen Park

With over 100 acres of green space located in the heart of the City of Martensville, Kinsmen Park is Martensville's destination park. From sport activities to casual leisure enjoyment, Kinsmen Park is a great meeting place for family and friends. Amenities include a three kilometer lit pathway system that connects directly to the City pathway system, 9 hole disc golf course, 2 outdoor fitness pods with 11 pieces of equipment, park benches, picnic shelter, toboggan hill, 3 tennis/Pickleball courts, full size outdoor basketball court, playground, community garden, fishing, and gazebo.

Kinsmen Park is also home to the Kyle Syrenne Skatepark, a new Pump Track, Martensville Slo-Pitch diamonds, and is connected to the Martensville Athletic Pavilion, Mocon Baseball fields, North Ridge Community Centre, multi-purpose sports fields, the Martensville Aquatic Centre, and three additional ball diamonds.

Outdoor Pickleball & Tennis Courts

The City of Martensville has three outdoor tennis courts located in Kinsmen Park and five outdoor pickleball courts at the outdoor rink located at the Sports Centre. Pickleball Nets will be set up Tuesday and Thursday from 10:00am-3:00pm May-September weather pending.

Recreation & Community Services

Pathways/Walking Trails

Residents can enjoy over 10 kms of lit paved pathways that intertwine within the various parks, sporting facilities and linear parks. These pathways connect the community from the south to the north. The pathways that are in the community are cleared throughout the winter. If you notice a pathway not cleared, please contact the Parks and Facilities Manager at 306-683-5578. Please note that it is not the City's practice to put salt on pathways and users are advised to use caution.

Off-Leash Dog Park

The off leash Dog Park is a year round park located on 10th Ave S. This is the only area in Martensville that permits dogs off leash. Patrons are reminded to obey park rules which are posted at the entrance to the park by the parking lot. Users of the Off Leash Dog Park will find a large open space for dogs to run as well as pathways within the treed area of the park. Residents can access the parking lot by vehicle via the alley off 8th Street South and by foot using the pedestrian bridge off the paths behind Glenview.

Lions Park

Lions Park is located at 416 6th Avenue South and is a popular park for family gatherings, with plenty to offer for young and old. This park features a Spray Park with 17 different spray features and rubber surface. The Spray Park opens the first weekend in June and runs until the Tuesday after the September long weekend. Hours of operation are 10:00am-8:00pm. Another feature of Lions Park is the newly constructed gazebo. The gazebo provides that needed shelter and area to host family outings or special events. Plenty of green space is also available for a variety of games.

Pump Track

The City of Martensville is very excited about this new facility that opened in the summer of 2021. It is a great facility that is connected directly to the Kyle Syrenne Skatepark.

So what is a Pump Track?

- A pumptrack is a course containing hills and berms that are ridden by "pumping" with your arms and legs to propel yourself forward rather than pedaling or pushing.
- It allows for good riding conditions rain or shine, and is good for all wheels as well!
- If it has wheels, it can be enjoyed on this track. – Bikes, Scooters, Boards, Blades, Wheelchairs, Striders
- It promotes a healthy, active outdoor lifestyle.
- It allows for opportunity to engage with others who would not typically engage in a team-sport setting.
- It teaches balance and coordination which are useful tools for any sport.
- They are fun!

Canada Day in Martensville!!

This year is Canada's 156th birthday, and we are excited to celebrate with you!! Check out the 15th annual Canada Day celebrations right here in Martensville!

We are already busy planning a great day!! There will be lots of great FREE activities for all ages. The day kicks off in the afternoon, starting with an Art Show and Community History Showcase closely followed by activities, crafts, games, scavenger hunt and more. To add to this, cupcakes and ice cream are served to the first 100 people. The event will continue into the evening. We will also hope to have guest appearances and entertainment throughout the day.

The feature event of Canada Day in Martensville is the fireworks display and the Cinema Under the Stars – a GIANT 3 storey inflatable movie screen in Martensville. Once again, the Martensville Information and Visitor Centre is working hard to get a brand NEW animated movie, one that is so new that it's still in theatres and won't be available on video yet. Pack your vehicle, bug spray, blankets, lawn chairs and join the fun!

Please watch for a more detailed list of events to come.

We are always looking for volunteers to help with planning this event and to help throughout the day. For further information please call the Martensville Information & Visitor Centre at 306-242-0362 or email us at martensvilleinfo@sasktel.net.

Our goal is to celebrate our nation's birthday right here in our own community. We still need help with planning games and activities, finding grants and sponsorships, gathering prizes, and finding people to help on Canada Day!!

Contact us if you can help! From planning, to volunteering on event day, and everything in between, we are looking for great local people to help. No experience necessary. Please call the Martensville Information & Visitor Centre at 306-242-0362 or email us at martensvilleinfo@sasktel.net
