# Frequently Asked QUESTIONS

## ***I operate a business in the community, how do I get a listing in the Community Guide?***

This Guide includes information on local businesses and the services they provide. The businesses listed in the directory, and in our online business directory at [Martensville.ca](http://Martensville.ca), include storefronts, contractors, vendors, and home-based businesses licensed to operate in the City of Martensville. If your business is not listed in the directory, please check with us to ensure you are licensed with the City of Martensville. We look forward to and value your participation in this guide.

## ***How do I place an advertisement in the Community Guide?***

## ***How is the Guide distributed and where can I obtain one?***

The Community Guide is mailed to every household each year in March and is available online on the City of Martensville and Martensville Messenger websites. The Guide is also available for pick up at City Hall. Copies are also included in new resident information packages, and at trade shows including the Martensville Community Expo.

# Message from the MAYOR

On behalf of Council and staff at the City of Martensville, I am pleased to present the 2023 Martensville Community Guide.

I am so honoured to be the Mayor of this vibrant community. We may be a small city, but we have a big heart, amazing workers and volunteers who help to provide opportunities for business development and growth, and recreation and leisure activities that ensure our quality of life is second to none.

Whether you are a resident or visitor to our community, this Guide provides information on local goods, services and amenities, health and wellness, schools, parks, churches, community groups and more. The Guide also includes a directory of businesses so that you can shop local and support those that work hard to provide goods and services to our community and beyond. Thank you to our Council, staff, and volunteers for the work you do each and every day to make our city a great place to live.

We hope you find this Guide useful, and I wish you all the best as you explore everything we have to offer!

# History of MARTENSVILLE

Martensville's history begins in 1939, when Isaac Martens and his son Dave, purchased land twelve kilometres north of Saskatoon. Dave Martens then sold three small parcels of this land to a number of people who wanted to move out of Saskatoon. Although, most Saskatchewan towns began around an elevator and railway for grain handling; Martensville however began around a school for the area children. In 1953, Dave Martens succeeded in getting permission from the Saskatchewan Government to move an unused one room school onto property donated by another local farmer, Jake Gerbrandt Sr. This property is presently the site of the Martensville Civic Centre.

The school was attractive to people wanting to move out of Saskatoon and soon they began to purchase property from Mr. Martens (north of present-day Main Street) and eventually, Mr. Gerbrandt (south of Main Street). By 1961, the population scattered on Mr. Martens land was sufficient to form a hamlet.

In 1938, Peter F. Hiebert had purchased a business to serve the residents that lived in the area. The Avenue "A" Service Station was located on the old, graveled #12 highway, which was, at the time, an extension of Saskatoon's Avenue A (current Idylwyld Dr.), where the Martensville Restaurant currently sits on Centennial Drive North. The original building burned down in 1958 and the business was rebuilt, and the name was changed to Martensville Shop-Rite – providing a wide variety of services such as; the first post-office, groceries, toys, candy, ice cream, all weather footwear, clothing, records, coffee-shop with take-out options, gas, vehicle repairs and maintenance, vehicle towing, hardware, fishing/hunting licenses, utility payments and more. In 1961, when Martensville was named as a hamlet, the Avenue "A" Service Station officially became the first business in the community and Peter, along with his wife Kay and their family, provided service to the area until 1975.

Mennonite churches were two of Martensville's first buildings. In 1954, a building was moved onto Mr. Gerbrandt's land to become the Bergthaler Mennonite Church. In 1959, Saskatoon's old North Park one room school was moved to the hamlet to become the Martensville Mennonite Mission Church.

In 1966, the population of Martensville had outgrown its hamlet status and applied to become incorporated as a village. Harry (Henry) Baycroft was elected by the 784 residents as overseer (term for mayor at that time) of Martensville as it attained village status.

He and Councillors Gordon Unrau and Peter Fehr served for the 3 years Martensville was a village, 1966-1968.

Martensville had been unincorporated until this time with no restrictions regarding the types of housing allowed or where they were placed and because of this, many substandard houses had been moved in from Saskatoon and neighbouring communities. During the village years, bylaws and housing regulations were introduced and enforced and subdivisions were developed. About 27 houses were removed and 47 building permits were issued while the village grew to a population of over 1000 with over half under the age of 18. What had been considered a distant suburb of Saskatoon now became a bedroom community.

Within three years, Martensville grew from a village to a town (1969) and soon after, infrastructure began to arrive, except electricity, which was here before there was any type of settlement. Gas was brought to the town in 1970 and sewer and water followed in 1976. In 1975, Centennial Drive was the first street to be paved, and was originally done by the Department of Highways. The next street to be paved was 3rd Avenue South in 1980. In 2009, Martensville was granted city status and currently has a population of approximately 11,000.

# A Get To Know

# YOUR CITY COUNCIL

## **Darren MacDonald** **10 years on Martensville City Council**

### **How long have you lived in Martensville and what made you decide to call Martensville your home?**

*"I have lived my entire life in Martensville. When it came time for my wife and I to pick a place to raise our children, Martensville was the clear choice."*

### **What do you do for work and are there any ways that experience has helped you during your time on Council?**

*"I am an Associate Portfolio Manager and Professional Financial Planner. That experience has helped me on council as a good portion of my work revolves around evaluating investment risk and doing long-term planning."*

### **What are some of the areas within Council and the community that you are most passionate about?**

*"One area I am passionate about is providing great recreational opportunities for all of our residents."*

### **What are some of your hobbies?**

*"I enjoy playing slo-pitch, coaching hockey and camping."*

### **If you could choose five words to describe Martensville, what would they be?**

*"A great place to live."*

### **What are some of the long-term goals you would like to see happen in Martensville?**

*"I would like to see our commercial sector continue to build out allowing residents more opportunities to live and work in Martensville."*

## **Spencer Nikkel** **2 years on Martensville City Council**

### **What have been some of the highlights of your time on City Council?**

*"It has been great getting to know more people within the community, helping shape our parks and recreation planning, and participating in regional projects with other communities. The recent announcement of the new recreation facility is of course a highlight, as well."*

### **What are some of the areas within Council and the community that you are most passionate about?**

*"I really enjoy seeing more and more successful businesses establishing roots in Martensville. These businesses not only provide more options for residents here, but they provide more local employment opportunities for community members. The more that we have high-paying companies set up offices and industrial work in Martensville, the more resources the community will have to invest in infrastructure, recreation and other priorities. I also enjoy working with our regional partners, like the RM of Corman Park, Warman, Osler and Saskatoon, to tackle regional opportunities."*

### **If you could choose five words to describe Martensville, what would they be?**

*"Town life with city perks."*

### **What are some of the long-term goals you would like to see happen in Martensville?**

*"I think the possibilities are endless, but I think as we transition to a larger community, we will have more opportunities to invest in a variety of spaces for different groups within the community, including more sport and athletic options, leisure activities, art spaces, STEM activities, etc."*

## **Debbie McGuire** **6 years on Martensville City Council**

### **How long have you lived in Martensville and what made you decide to call Martensville your home?**

*"I have lived in Martensville for 43 years and I moved here because it was a small town close to Saskatoon and a great place to bring up children."*

### **What do you do for work and are there any ways that experience has helped you during your time on Council?**

*"I am a business owner and maintain small Water Utility systems and I received these qualifications through the Water and Sewer Department of the City of Martensville where I retired after 25 years of service."*

### **What are some of the areas within Council and the community that you are most passionate about?**

*"For me, I would have to say some of the areas I am most passionate revolve around volunteerism, sports, beautification and strong community growth."*

**What are some of your hobbies?**

*"Volleyball, coaching and playing"*

**If you could choose five words to describe Martensville, what would they be?**

*"GREAT PLACE TO CALL HOME"*

**What are some of the long-term goals you would like to see happen in Martensville?**

*"I think the biggest one would be to acquire a facility for seniors to transition to in order to stay close to family and the community they built."*

**Kent Muench**  
**10 years as Mayor of Martensville**

**What have been some of the highlights of your time on City Council?**

*"I have been fortunate enough to have been part of very significant change in our community. The construction of the two new elementary schools, the overpass, Martensville High School expansion and MAP construction were all significant projects that have greatly improved the quality of life in our community. The expansion of our business community has been incredible. The continual improvements to Kinsmen Park over the past decade are probably one of my biggest highlights. We now have a central urban park that has so many amenities and the promise of so many more. We've added an Aquatic Centre, Community Centre, Skate Park, Pump Track, Ball Diamonds, Community Gardens and an extensive pathway system. None of these things existed when I started. The truly amazing part of Kinsmen Park is that there is still so much space for many more improvements. I would love to see it in 50 years. I'm sure it will be incredible."*

**What do you do for work and are there any ways that experience has helped you during your time on Council?**

*"I am Coordinator of Learning Services with Greater Saskatoon Catholic Schools. I have found so many areas and experiences that are complementary to both of my roles. One of my areas of support with the school division is community partnerships. I am privileged to work with so many great organizations in our community and region that have benefits to both roles."*

**If you could choose five words to describe Martensville, what would they be?**

*"Vibrant, growing, welcoming, progressive and safe"*

**Mike Cox**  
**6 years on Martensville City Council**

**What have been some of the highlights of your time on City Council?**

*"The announcement of the New Recreation Facility has to be # 1. I would also say being a liaison with the MCRP has been exciting, to see their hard work over many years being rewarded."*

**What do you do for work and are there any ways that experience has helped you during your time on Council?**

*"I am in my 12th year as Vice Principal at Valley Manor here in Martensville. There are many things about my role as an administrator that connect to my experiences on Council, such as decision making, prioritizing budget items, strategic planning to name a few."*

**What are some of the areas within Council and the community that you are most passionate about?**

*"Recreation is a big one, more opportunities for youth and our community to be active and engaged in activities (new facilities like skate park, pump track, continuation of pathways throughout the community and adequate lighting for safety. "*

**What are some of your hobbies?**

*"I enjoy going for walks/bike rides on our amazing community trails, spending time at the lake, fishing and paddle boarding. What are some of the long-term goals you would like to see happen in Martensville?"*

*"We still have work to do to support seniors in our community with aging in our community and continuing to work hard to attract more families, which helps attract more commercial development opportunities in our City."*

**Tyson Chillog**  
16 years on Martensville  
City Council

**What have been some of the highlights of your time on City Council?**

*"Some of the noted highlights are the facilities that we have invested in over the years. Examples being the Aquatic Centre, MAP, Schools, overpass, skatepark, ball diamonds, and of course most recently the announcement of the new Martensville Recreation Complex. An unfortunate fact in the matter is that much of the money goes towards stuff that goes underground, that no one can see. The odd time we get to see the fruits of our communities labor and the amenities that I have mentioned are a gleaming example of why we as a community should be proud of our accomplishments."*

**What are some of the areas within Council and the community that you are most passionate about?**

*"I have lots of children, and one of my proudest moments was when my oldest son chose Martensville to settle down and buy his first home. I understand that this may sound anticlimactic but as a councillor it makes me excited about the future of our community, our youth are choosing to live here."*

**What are some of the long-term goals you would like to see happen in Martensville?**

*"Some of the longer term goals for Martensville are to become a strong component in our regionalized concept that we have with our surrounding communities. Joining forces and becoming regionalized creates opportunities that otherwise may not be there. As our community grows our wants and needs change and staying on top of them will definitely help for the future."*

**Jamie Martens**  
10 years on Martensville City Council

**What have been some of the highlights of your time on City Council?**

*"The triumphs; even the little ones. Every time you can help a resident or come up with a solution that won't infringe on tax dollars. Regionalization, working together with surrounding communities to come up with the best outcomes is such a reward. Watching as people come together with passion and determination to better the community has got to be the #1."*

**What do you do for work and are there any ways that experience has helped you during your time on Council?**

*"I presently work for the Government of Saskatchewan and I see the importance of working as a team to accomplish goals. I believe a person can gain experience from any type of work and apply it to multiple areas within council. We are so fortunate to have a such a variety of backgrounds sitting at the table."*

**What are some of the areas within Council and the community that you are most passionate about?**

*"I am passionate about public engagement, volunteer opportunities and advocacy. I truly enjoy being a part of multiple committees and my role on Federation of Canadian Municipalities. I am very happy to see the Free Pantry take shape, nonprofit groups working hard to provide services for our youth, and our seniors. Not to mention the countless volunteer hours so many citizens have provided, and investing in the community."*

**If you could choose five words to describe Martensville, what would they be?**

*"Community, friendly, values, family, peaceful."*

## COMING TOGETHER in twenty twenty-three

Community. It is such a simple word, but it holds so much power. A community can mean a group of individuals all living in the same place, or having a particular characteristic in common; however, community can also stand for a feeling of fellowship with others as a result of sharing common attitudes, interests and goals. Martensville fully embodies this second definition, as the residents that call Martensville their home have a sense of community that brings them together to make incredible things possible for the betterment of the City and the people within it.

With a population of approximately 11,000, Martensville is considered a city; however, a common sentence heard from both long-time residents, and those new to the community is “Martensville is a city with a small-town feeling to it”. This “small-town” essence stems from the volunteers that dedicate countless hours to the local service groups and sports organizations, the businesses that treat every customer as though they are family, the children that organize a lemonade stand to raise money for charity, the neighbor that helps snow-blow a driveway following a heavy snowfall and a friendly hello from a stranger you pass on the walking trails located throughout the City.

From 2020 to 2022, Martensville was facing the same challenges that other communities faced due to the COVID pandemic, and through this, learned a whole different kind of resiliency. Local residents stepped up to ensure they were supporting their local businesses and organizations, and this dedication created an even stronger sense of the word “community”.

Coming out of the pandemic has created new challenges for businesses, organizations and individuals, as everyone looks to settle back into a “new normal”. Inflating costs have also added a new struggle to those within the community, and with this, comes an increased level of support with the Martensville Food Pantry, who help to provide food hampers for those that need a little extra help in challenging times.

The Martensville Food Pantry has grown substantially since its inception in 2016, where it began as a small shelf space within the halls of the Martensville Civic Centre, providing non-perishable food items for local residents to pick-up anonymously. These days, the MFP has a dedicated space within the Civic Centre to operate out of, and not only provides non-perishable food and hygiene items, but also provides fresh and frozen items within their hampers. Every two weeks, the MFP provides food hampers for 9-12 local families, as well as continues to provide anonymous pick-up options on the shelves and refrigerator located in the hallway. The MFP is able to support the people of the community through the support they receive themselves through donations from service groups, businesses, sports teams and individuals, as well as regular donations of bakery items, dairy items and meat from local businesses.

In addition to the MFP, which operates year-round, the Martensville Fire Department runs an annual Christmas Hamper Program, which in 2022, provided 31 local families with hampers consisting of non-perishable items, fresh food items, presents and gift cards to

local businesses. This program is possible through donations collected by local businesses, schools, service groups and individuals that come together to ensure everyone has a meal throughout the holiday season.

Since 2014, the Martensville Community Recreation Project (MCRP) has been a shining beacon of what community means, as they have been on a fundraising journey over the years to raise money for a second ice surface in Martensville. Through the various events and hard work, they have helped gain attention from the media and both the federal and provincial governments, helping make their dream a reality, as the new regional recreation facility is slated to open in the fall of 2024. Learn more about the MCRP and their accomplishments on page 45 of the Community Guide.

When it comes to supporting youth in the community, our local KidSport chapter is at the top of that list. KidSport is a children’s charity dedicated to assisting children ages 5-18 of families facing financial obstacles with the opportunity to participate in community sport programs. In 2022, the local KidSport chapter saw over 60 applications come in for a total of over \$25,000 in funding provided to local youth.

Another option within the community for the younger generation is the Martensville Youth Connection. This youth drop-in centre was created in 2021 to help provide mental health support to youth and since then has seen tremendous growth. As a non-profit organization, the future of the MYC was in jeopardy; however, with support from

local residents, businesses, and the City of Martensville, this organization has received the support needed to continue to operate and support the youth of Martensville.

Businesses make a big impact on the community, and often organize events and fundraisers to help support local charities and organizations. In September of 2022, the Martensville and Warman Tim Hortons locations raised over \$20,000 for the local KidSport chapter, while the Martensville A&W location once again hosted their annual KidSport Playhouse fundraiser, as well as 'Teen Burger Days' in October, where \$2 from every Teen Burger sold went to supporting KidSport in the community.

In 2022, the Prairie Sky Chamber of Commerce was excited to once again host an in-person gala for the annual Business Excellence Awards following the pandemic, and this was a great way for the region to come together to celebrate local businesses. This event will once again be taking place on Saturday, May 6th, 2023 to honour businesses in seven different categories that have gone above and beyond to strengthen the local economy and provide products and services to the region and surrounding areas. Learn more about this event at [www.prairieskychamber.ca](http://www.prairieskychamber.ca), or on page 44 of the Martensville Community Guide.

In December, local business Alpyne Apparel helped ensure that seniors living in Martensville, Warman, Rosthern and Saskatoon would receive gifts at Christmas with the third year of their 'Giving Tree', where individuals can chose a seniors name from the tree, purchase a gift and return it to the tree to be delivered prior to the holidays.

The business also provided toy bins to collect toy donations to be given to kids spending the holidays within the Children's Hospital.

Not only does the business community make a difference in the lives of local residents, but the schools located within Martensville also do their part to create a better community for everyone. In June of 2022, Martensville High School's Project Change was one of the recipients of Public Schools of Saskatchewan's Student Citizenship Award. Project Change has been in action since 2013 and the goal of this group is to spread kindness through fundraising and volunteering. In 2022, a total of 60 students from Grades 9-12 took part in Project Change, and held numerous initiatives such as a food drive, fundraising for the Terry Fox Walk and Ukraine charities, a clothing drive, baking for the Ronald McDonald House and more, raising over \$7000 for various causes.

Another school in Martensville stepped up to support the initiatives of the MCRP, as staff and students at Venture Heights Elementary School were the first in line to make a donation to the MCRP's Lace 'Em Up Campaign and donated a cheque for \$500 that was raised through a bake sale fundraiser.

A big announcement for the community was made in August of 2022 that Martensville would be the host community for the 2023 Hockey Day in Saskatchewan, held from January 16-22 with a wide variety of events taking place throughout the week. Large events such as this one are only made possible through support from volunteers in the community, and sponsorship from a wide array of local businesses.

Sometimes it is something simple that can bring a community together as has been proven by the seniors at the New Horizon's Centre in Martensville. This group is currently hosting a bingo night every second Thursday to help raise money for improvements needed within the building, and although the event started small at first, it seems that each week, new tables are being added to accommodate those attending, with more and more local residents taking part in the fun, all for a good cause.

The local seniors also received support from a younger generation this year as well, as in June, a group of Bantam Martensville Maddogs football players and their coach volunteered their time to lay sod at the New Horizon Senior Centre.

In December, approximately 60 area residents were presented with the Queen Elizabeth II Platinum Jubilee Medal for their contributions to the community, whether it be through volunteerism, helping to beautify the City, working with local youth, providing food to those in need and more. The sheer amount of individuals that were honoured during this presentation goes to show the community spirit that flows throughout Martensville and area.

These are just a few examples of how Martensville comes together for one another and has a strong sense of fellowship and comradery. If you are fortunate enough to call Martensville your home, you have likely felt that feeling at one point or another. It truly is a great place to call home.

## Emergency Preparedness- Are you Ready?

**City of Martensville uses SaskAlert for Emergency Alerts. Download the SaskAlert App today!**

Fires, Floods, Power Outages, Blizzards - Emergencies can occur at any time. In an emergency, response agencies focus their efforts first where the need is greatest. That is why individual emergency preparedness is so important. It is recommended that families plan for a scenario that would require self-sufficiency for 72 hours.

It only takes four simple steps to become better prepared to face an emergency.

- Know the risks. What things can happen where you live?
- Make a plan. What would you do in an event such as a tornado, fire, or blizzard. What if you had to evacuate your home or your family was separated? Plans should include a communication plan, emergency numbers and evacuation plans.
- Get or prepare an emergency kit with critical items including non-perishable food, cash, first aid supplies, flashlights and any items tailored to your family's needs.
- Download the SaskAlert app for your smartphone. Get notified of severe weather, and emergencies and know when to act.

**For more information on Emergency Preparedness, contact the Martensville Fire Department or visit the Saskatchewan Public Safety Agency at [www.saskpublicsafety.ca](http://www.saskpublicsafety.ca)**

# Waste Collection and Recycling

## Automated Waste Collection

Loraas Disposal has an automated waste (black cart) and recycling (blue cart) collection system. This system enables a single truck operator to pick up and dump your carts in a safe, clean and cost-effective manner. Carts are supplied by Loraas Disposal through the City Public Works Department.

## Collection Days for Waste and Recycling:

Waste is collected from households every second week and alternate weeks with recycling. Schedules for garbage and recycling collection can be obtained at City Hall or available on the City's website.

- North Of Main Street – Thursday
- South Of Main Street – Wednesday

Your bin should be set out at the curb by 7:00 AM on the day of your scheduled collection. Remember collection can take less time some days or schedules can slightly alter, so the time of pick-up at your residence can vary.

## Waste and Recycling Collection Rates:

The City of Martinsville provides one garbage cart and one recycling cart as part of your annual taxes. If you wish to have an additional recycling and/or garbage cart, contact Loraas Disposal. Additional carts are made available through a prepaid annual subscription, with pickup days the same as current municipal schedules.

To order additional carts, residents should contact:

### Inside Sales Representative

**Loraas Disposal**  
**306-242-2300**

## Waste Disposal Requirements:

- All waste must be bagged to prevent the garbage from blowing out of your bin when being dumped and ending up as litter on the street and your neighbour's property.
- The bin should be kept completely closed so the wind can not topple it and spill garbage. and prevent pickup.
- If you have more material than will fit, set aside non-perishable material such as yard refuse until the following pickup.
- No hazardous materials including gas, explosives, paint, used motor oil, hot ashes, poisons, acids and caustic substances.
- No heavy materials including sod, rocks, concrete or vehicle parts.
- No bulky materials including large boxes, building materials, appliances, furniture, mattresses or blinds.
- No animal carcasses or parts.

## Recycling Guidelines

- Use your blue recycling cart to store and collect approved recyclables
- Do not bag or tie your recyclables; place any plastic bags inside another bag and secure
- Wheel your cart to curbside on collection day with the lid closed to prevent litter or spillage
- Place your cart curbside by 7:00 AM on collection day with wheels against the curb
- Return your empty cart to your property at the end of collection day; leave your cart curbside in the event of weather-delayed service – the collection vehicle will be through on the first available business day after the severe weather ends.
- Do not remove your cart from its assigned address; do not paint or mark your cart. Keep a record of your cart number.

### How does the “one cart-no sort” program work?

Households will receive one 95-gallon blue recycling cart in which all approved household recyclables can be placed. These carts provide lots of capacity and an easy-closing lid to prevent windblown litter. No more sorting the recyclables into separate bins or bags. See the list of approved items on [www.loraas.ca](http://www.loraas.ca)

### Do we need to bag the recyclables before placing them in the cart?

No, we specifically ask that customers DO NOT BAG or TIE their recyclables before depositing them into their cart. Bagged or tied materials outside the cart will not be picked up.

### How should I prepare my recyclables for collection?

Flatten all cardboard boxes. Wash and rinse all beverage containers, food plastics and household tins before depositing them to your blue recycling cart. Remove all lids and caps from all containers. Labels do not have to be removed.

### I have too much waste and/or recyclable materials, what if I need additional carts?

Loraas Disposal will handle all the administration for additional carts (both recycling and garbage). Additional carts are provided on a prepaid annual subscription basis with pickup days the same as current municipal schedules.

### To order additional carts, residents should contact:

**Inside Sales Representative**  
**Loraas Disposal**  
**306-242-2300**

- Place your bin with the front facing the street and the rear wheels facing your house. If the bin is turned around the truck cannot empty it.
- Place the rear wheels in the gutter. If the bin is behind the sidewalk the truck cannot reach it. On streets with no curb and gutter, place the bin on the edge of the driving area.
- Place the bin at least five feet from any vehicle, other objects or bins.
- Store the bin at the side or rear of your house or in the garage.
- In warm weather, periodically rinse your bin with a garden hose to eliminate odours.
- The bin is owned by the contractor (Loraas) and must not be removed from your property. If you move, the bin must be left behind for the next occupant.
- Willful damage to the bin will result in repair or replacement costs being assessed against the offenders.

**THE LORAAS TRUCK OPERATOR WILL NOT PICK UP YOUR BIN IF THESE SIMPLE REQUIREMENTS ARE NOT FOLLOWED.**

### Loraas Landfill Inc.

The Loraas Landfill is located just south of Martensville off Highway 12 turning east onto Lutheran Road. The landfill accepts only solid, non-hazardous waste materials including general garbage, food, yard and garden waste, construction, roofing and demolition materials. Regulated waste such as tires, electronics, paint, batteries, used oil and oil containers, chemicals, pesticides, flammables, propane tanks and other prohibited materials are not accepted at the landfill.

# Neighbourhood PARKS

## Tree Planting and Bench Dedication Programs

The City of Martinsville Tree Planting Program provides individuals or groups with an opportunity to purchase a tree to be planted in memory of a loved one. Trees are planted in various areas of the community including parks and playgrounds, along pathways, sporting fields, on Centennial Drive and at the Civic Centre.

Through the Bench Dedication Program, individuals or groups may purchase benches or picnic tables. These items may be used to sponsor or advertise an activity or event or memorialize and commemorate an event or person. Benches and picnic tables are placed in designated areas of the community.

In addition to their meaningful intentions, these programs are helping to create beautiful public areas in our community, please contact the Parks and Facilities Manager (306) 683-5578 for more information.

## Andrea Kaminskas Park

Andrea Kaminskas Park is located at the corner of 1st Ave. S and 1st St. S and is near City Square, the Civic Centre and businesses on Centennial Drive. The park is nicely shaded with mature trees and is perfect for those with little ones. A new play structure was added to make the park an attractive place to rest or play in the heart of the community.

## Lions Park / Spray Pool

Lions Park is located at 416 6th Avenue South and is a popular park for family gatherings, with plenty to offer for both young and old. Lions Park is home to local programs including mini soccer/blast ball and youth soccer. Plenty of green space in this 6-acre park for all types of activities including frisbee, catch, bocce ball and much more. The playground includes equipment for ages 3-12 years. The hill located in the park makes the park a popular spot in the winter months for sleds and toboggans.

Lions Park is home to Martinsville's Spray Park. This park features 17 different spray features and a basin. The Spray Park opens the first weekend in June and runs until the September long weekend. Hours of operation are 10AM-8PM

A new gazebo that marks the 40th Anniversary of the Martinsville and District Lions provides shade, shelter and another amenity for guests to the park.

## North Hills Park

North Hills Park is located on Baycroft Drive. This play area includes a large play structure that will entertain the little ones for hours. In the winter, this park has a Toboggan Hill that is perfect for those winter activities that require a good snowfall. Paths and the toboggan hill are lit use in the evening.

## Community Garden

A 24-plot community garden is located east of the outdoor basketball court in Kinsmen Park. The garden is available to residents who wish to garden at their leisure.

The Community Garden has also expanded by adding garden boxes at an additional site next to the Martinsville Kart Track (near intersection of 9th Ave N and 9th St. N) If you are interested in using the garden, please contact the volunteer Community Garden Coordinator call (306) 291-7977.

## Kinsmen Park

With over 100 acres of green space located in the heart of the City, Kinsmen Park is one of Martinsville's most beautiful parks and a feature in our community.

Kinsmen Park is home to the Martinsville Slo-pitch diamonds and is connected to the Martinsville Athletic Pavilion, Mocon Baseball Fields, North Ridge Community Centre, Football Field, the Martinsville Aquatic Centre and three additional baseball diamonds.

## Kinsmen Park Features

- Over two kilometres of paved and lit walking pathways within the park link to over seven kilometers of walking paths through the community.
- The paths run adjacent to four separate ponds adding to recreational opportunities such as skating or fishing.
- A pedestrian bridge over the canal waterway provides an attractive backdrop for the Park.

The City of Martinsville has numerous neighbourhood parks that we are very proud of. The development and care of parks within Martinsville is an ongoing priority in our community and are an attractive feature of the quality of life Martinsville offers.

### **Kinsmen Park Activities**

From sports activities to casual leisure enjoyment, Kinsmen Park is a great meeting place for family and friends. Amenities include:

- Integrated pathway system
- 9-hole disc golf
- 2 outdoor fitness pods with 11 pieces of equipment
- Park benches
- Picnic shelter
- Toboggan hill
- 3 Tennis/Pickle Ball Courts
- Full Sized outdoor Basketball Court
- Playground
- Community Garden
- Gazebo
- Skatepark and Pumptrack
- Outdoor Ice Rink
- Cross Country Ski Trails

### **The Future of Kinsmen Park**

The City of Martensville is committed to ensuring Kinsmen Park remains a natural focal point of the community as the City changes and grows. Future plans include:

- Pathway additions and upgrades
- Tree and vegetation enhancements throughout the park
- addition of amenities such as playgrounds or a spray park
- 25 site RV/Trailer Campground and tenting sites
- Additional picnic sites
- Additional ball diamonds

### **Kyle Syrenne Skatepark**

The skatepark, within Kinsmen Park, is dedicated to resident Kyle Syrenne, an avid and accomplished skateboarder who grew up in Martensville and who tragically passed away in 2015. The Syrenne family, with the City of Martensville, undertook a fundraising campaign to build this skatepark.

The hard surface park features a variety of plaza and modern obstacle features, a bowl suitable for all skill levels, connecting pathways, and feature entry signage. It is built to accommodate skateboarders, scooter riders and inline skaters. The design includes numerous safe and inviting viewing areas and locations for art installations and integrates natural boulder textures and a memorial sculpture for Kyle Syrenne. Kinsmen Park Pumptrack

In 2021, Kinsmen Park added a pumptrack next to the skatepark. The pumptrack provides bikers, skateboarders, scooter riders, and inline skaters with a unique and new experience to ride in our community.

The pumptrack features a paved surface ensuring a consistent and true ride with limited maintenance needed. This past year we completed the final touches around the track and celebrated the grand opening of the track in conjunction with the BMX Canada Cup.

### **Honsome Park**

Honsome Park is a nice little park located on the 700 block of 4th Street South. This park is a passive park with a green space area and a slide.

### **Unrau Park**

This park is located on the 200 block of 4th Avenue North. This neighbourhood park features play structures, swings and a slide. A great playground for small children.

### **Munday Park**

This park is located at the corner of Stone Terrace and Enns Crescent. The playground features a small playground for ages 3-8 with slides, a play structure, monkey bars and swings.

### **Dallas Martens Park**

This park is located at the corner of Rock Hill Lane and Salmon Way in the southeast corner of Martensville. The park is one acre in size, features a playground area of over 5,000 square feet and has play apparatus for ages 3-12. Asphalted paths are located on both sides of the park.

### **Rose Leaf Park**

Located in the new Lake Vista neighbourhood, this new park is adjacent to Lake Vista and École Holy Mary Schools. The park is home to a multipurpose field that can serve as a soccer pitch or football field.

### **Lake Vista Park**

This greenspace area is centrally located in the Lake Vista neighbourhood. It features paved and lit trails alongside the pond area providing a scenic backdrop for those walking or riding on the trails.

### **Molly Dunville Park**

This park was named after a young resident in 2020 that loved this area for play while bravely fighting illness through much of her life. The park is next to the MacCormack Ranch House and features a small play structure, sand surface and outdoor basketball area.

### **Off-Leash Dog Park**

The off-leash Dog Park is located in southern Martensville off 10th Ave S. This natural treed and grassed area is the only one in Martensville that permits dogs off-leash. Patrons are reminded to obey park rules which are posted at the entrance to the park from the parking lot. Users of the off-leash dog park will find a large open space for dogs to run as well as pathways within the treed area of the park.

### Pathways

Residents can enjoy nearly 10 km of paved pathways that intertwine within the various parks, sporting facilities and linear parks around Martensville. These pathways connect the community from the south to the north, through Kinsmen Park and into Lake Vista.

### Hyde Park

One of the newest named parks, Hyde Park is a linear park located on the south side of the community and presents paved pathways, scenic views of the feature pond, benches and connectivity to the off-leash dog park.

### Wiebe Park

A Linear Park dedicated in 2020 this area spans the eastern edge along the MacCormack Ranch neighbourhood and features over a kilometer of new pathway that connects to Lake Vista, Kinsmen Park and the Hyde Park pathway.

About Greater Saskatoon Catholic Schools

We are a welcoming community where we nurture faith, encourage excellence in learning and inspire students to serve others, making the world a better place.

We love because He first loved us. – John 4:19

### **Rooted in Faith**

Our Catholic faith is living and growing. We see and learn about God throughout every school day, not just in religion class.

### **Growing in Knowledge**

We foster growth of students' God-given talents, encouraging excellence and fostering intellectual, physical, emotional and spiritual development.

### **Reaching Out to Transform the World**

We challenge students to look beyond themselves, using their talents and abilities to make the world a better place.

## **Martensville High School**

**115 6th Avenue North – 306-931-2230**

Martensville High School is the home of the Royals and a place where the staff believe in creating self-motivated, confident, critical and reflective learners. In the fall of 2015, students and staff at Martensville High School moved their operations into their state-of-the-art new building. The spacious facility is full of natural light and numerous unique learning spaces. The school has at its center a 300-seat performing arts theatre as well as a music room. In addition, the school is directly connected to the incredible Martensville Athletic Pavilion. The original part of Martensville High School received a thorough renovation that included significant upgrades to the Practical and Applied Arts areas. Martensville High School has a population just under 600 students in grades 9 through 12. The school offers a rich spectrum of academic and vocational classes including apprenticeship program credits. Students at MHS can participate in all major SHSAA sports programs and a variety of extracurricular clubs.

### Venture Heights Elementary School

801 6th Street North - 306-934-2185

Venture Heights Elementary school is a community of learners built upon respect, relationships and opportunity. Venture Heights School opened its doors in August of 1991 and has since doubled in size. With a current enrollment of 500 students in Kindergarten to Grade 8, Venture Heights' staff and students burst with enthusiasm and pride for their school. Our staff provides quality education and challenge students to strive to their greatest academic potential. VHS students have the opportunity to participate in a vast array of extra-curricular clubs, sports teams, artistic clubs, and more. Our grade 6-8 BAND and ENRICHMENT programs are in its third year and is flourishing! For more information about our school, please visit our website at [blogs.spiritsd.ca/ventureheights/](http://blogs.spiritsd.ca/ventureheights/) or contact us by phone at 306-934-2185.

### Busy Fingers Preschool

101 MacCormack Road

Busy Fingers is a Co-operative preschool where children ages 3 and 4 engage in learning to prepare for kindergarten. As a co-operative preschool it allows parents to be involved in your child's growth and classroom activities. Our teacher is educated with B. Sc, B.Ed, and M. Sc. and provides a nurturing environment to our students.

Busy Fingers Preschool provides field trips and in class guests throughout the year which allows your child to experience the full insight of going to school. We also celebrate on special occasions such as birthdays, concerts and graduation.

We provide two-hour classes twice a week from September to May. In the Fall of 2021 a French readiness program started being offered to preschoolers.

**For more information about our school contact us at [president@busyfingerspreschool.ca](mailto:president@busyfingerspreschool.ca) or visit [www.busyfingerspreschool.ca](http://www.busyfingerspreschool.ca).**

### Valley Manor Elementary School

## Canada Day in Martensville!!

This year is Canada's 156th birthday, and we are excited to celebrate with you!! Check out the 15th annual Canada Day celebrations right here in Martensville!

We are already busy planning a great day!! There will be lots of great FREE activities for all ages. The day kicks off in the afternoon, starting with an Art Show and Community History Showcase closely followed by activities, crafts, games, scavenger hunt and more. To add to this, cupcakes and ice cream are served to the first 100 people. The event will continue into the evening. We also hope to have guest appearances and entertainment throughout the day.

The feature event of Canada Day in Martensville is the fireworks display and the Cinema Under the Stars – a GIANT 3-storey inflatable movie screen in Martensville. Once again, the Martensville Information and Visitor Centre is working hard to get a brand NEW animated movie, one that is so new that it's still in theatres and won't be available on video yet.

Pack your vehicle, bug spray, blankets, lawn chairs and join the fun! Please watch for a more detailed list of events to come.

This fun filled one day event takes a lot of preparation and there are many jobs, big and small, that can only be accomplished with the help of volunteers. We are always looking for volunteers to help with planning this event and to help throughout the day. Our goal is to celebrate our nation's birthday right here in our own community. We still need help with planning games and activities, finding grants and sponsorships, gathering prizes, and finding people to help on Canada Day!!

There are opportunities to partner with the Martensville Information Visitor Centre and become a vendor at our event and celebration here in Martensville. We are looking for food vendors, local business and community organizations to join in the day!! Our goal is to celebrate our nation's birthday right here in our own community with you too.

Contact us if you can help! From planning, to volunteering on event day, and everything in between, we are looking for great local people to help. No experience is necessary. Please call the Martensville Information & Visitor Centre @ 306-242-0362 or email us at [martensvilleinfo@sasktel.net](mailto:martensvilleinfo@sasktel.net).

## Martensville Summer Market

## Martensville Food Pantry

The Food Pantry is located at the Civic Centre. If you'd like to donate or need a food hamper, please call 306-280-1255, email [martensvillefreepantry@gmail.com](mailto:martensvillefreepantry@gmail.com) or send us a message on messenger. We will need names of family members, ages of children (if any) city, address, and phone number. Once we review the info, we can then have a hamper ready for pickup on Wednesday between 11:30am-1:00pm in room 2 of the Civic Centre. To pick up a hamper we require identification for each family member (health cards, etc.) and something to indicate you're a resident of the area we serve (utility bill, etc.) If you're new to Canada or Saskatchewan and/or don't have a health card please let us know. The deadline for a hamper is Tuesday at 5:30pm. Messages are answered between 9:30am and 5:30pm Mon-Fri. Visit us on facebook at <https://www.facebook.com/martensvillefreepantry> for more information.

**WHAT IS A CHAMBER OF COMMERCE?**

Chamber of Commerce is a network of local business owners. The goal of a chamber is to support business by bringing members together to develop strong local networks, business-to-business exchanges and to keep them well informed of industry and economical updates that impact the business region.

**WHO IS THE PRAIRIE SKY CHAMBER OF COMMERCE?**

Prairie Sky Chamber is a regional chamber that encompasses urban and Rural Municipalities such as the Cities of Martensville and Warman, Town of Osler, Langham, Hague, and the RM of Corman Park to name just a few. The members are business owners within the region.

The members of the Prairie Sky Chamber elect 12 members as the Board of Directors to set policy for the chamber. The board hires an Executive Director to run the organization.

**WHY DO WE NEED CHAMBERS?**

Most importantly to be heard! The Chamber of Commerce serves as a representative of the business region. The organization brings businesses together to develop strong local networks, business-to-business exchange, keep companies and organizations current on issues that impact business and the local economy. The Chamber is the voice of business! The Prairie Sky Chamber of Commerce and our partners at the local, provincial, and federal levels of government advocate for issues effecting your business.

**WHEN SHOULD A BUSINESS JOIN THE CHAMBER?**

Joining the chamber is best built right into every business plan to take advantage of the many benefits for new as well as established businesses such as access to discounts, the national Chamber Group Health Benefits plan, professional development, current information and resources, marketing, and networking events. It gives you an edge!!

**WHERE IS THE PRAIRIE SKY CHAMBER OF COMMERCE?**

The Prairie Sky Chamber of Commerce office is located at Unit 2-101 Klassen Street West, Warman.

Contact information is [admin@prairieskychamber.ca](mailto:admin@prairieskychamber.ca) or call Monday-Friday 8am-4pm.

## Sports Organizations

### Sask Valley Riding Club

The Sask Valley Riding Club is made up of members of all ages that enjoy spending time with other horse owners. Through lessons, clinics and other activities, we are given a chance to learn from each other and the various experts we engage throughout the year. Whether you're just looking for some new people to ride with, the opportunity to improve your horsemanship or teach your horse a new skill in a relaxed atmosphere, this club might be right for you. Come on out and let's see what we can learn from each other.

**For more information email [SaskValleyRidingClub@gmail.com](mailto:SaskValleyRidingClub@gmail.com).**

### Central Valley Volleyball Club

This club volleyball program is geared toward girls and boys from ages 12yrs to 18yrs that live in Warman, Martensville and surrounding area. The club volleyball season runs from November 28th to April 30th and includes practices, tournaments, and provincials. Practices are held in Warman and Martensville.

**Learn more about CVVC by visiting our website - [www.centralvalleyvolleyball.com](http://www.centralvalleyvolleyball.com) or find us on Facebook or Instagram.**

### Sask Five Baseball Association

The Sask Five Baseball Association has six divisions; Junior Rally Cap, Senior Rally Cap, 11U, 13U, 15U and 18U. Depending upon the age division, teams play on the ball diamonds in Dalmeny, Martensville, or Warman.

Website: [www.saskfivegiants.com](http://www.saskfivegiants.com). Please check in with our Facebook page for any information on upcoming indoor camps this winter. Registration opens in February.

### Martensville Slo-Pitch Association

The Martensville Slo-Pitch Association provides a summer of competitive and non-competitive leagues, tournaments and other fun events. Games are played weekly throughout the season at Kinsmen Park Slopitch diamonds. New teams are always welcome pending space is available.

**All those new teams or individuals interested, should e-mail [martensvilleslopitch17@gmail.com](mailto:martensvilleslopitch17@gmail.com). We are looking forward to another successful Slo-Pitch Season!!**

### Martensville Minor Hockey

Minor hockey season has over 450 players across 30 registered ranging in ages from 5 – 17, including all female teams.

This past year we saw our male and female athletes continue to enjoy a lot of success with several players making their debuts in the WHL, SJHL, PJHL, USPHL, SMAAAHL and go on to begin college hockey opportunities! MMHA works hard to make hockey inclusive for all and to ensure that every player who wants to play this great game is given that opportunity.

The Martensville Minor Hockey Association is a group of volunteers dedicated to the growth and development of young athletes through the game of hockey. We want to thank all of the coaches, managers and community partners as well as Sask Lotteries for their support. Because of these great people and organizations our program is successful and each player is given an opportunity to play the sport they love!

**Visit Martensville Minor Hockey Association website for information on upcoming news, events or registration, then come out and cheer on our Marauders!**

### Martensville Soccer Association

Martensville Soccer Association is part of the Valley Soccer Association. It provides a place for ALL kids to take part in the beautiful game! MSA runs indoor and outdoor programs starting at under the age of 5 up until Under 15.

**Any questions about Martensville Soccer or getting involved can be directed to [martensvillesoccer@gmail.com](mailto:martensvillesoccer@gmail.com).**

### Valley United Soccer Club

VUSC is committed to providing a high quality, competitive soccer program for the Valley area and is a part of the Valley Soccer Association.

Registration takes place annually in January. Games are played in Saskatoon with the SYS league. Practices are held in Warman and Martensville area.

**For updated information, please find us on FB (Valley United Soccer Club) or at [www.vusc.sk.ca](http://www.vusc.sk.ca). We can also be reached by email at [vusc.sk.reg@gmail.com](mailto:vusc.sk.reg@gmail.com) with any questions!**

## Prairie Valley Scouts

Beavers, Cubs, and Scouts are open to boys and girls, ages 5-14. Beavers (age 5 - 7), Cubs (age 8 - 10), and Scouts (age 11-14). A weekend family camping trip is held at the end of the year in June. Registration is online at [www.myscouts.ca](http://www.myscouts.ca). If you have any questions, you can email [prairievalleyscouts@gmail.com](mailto:prairievalleyscouts@gmail.com). Come learn about respecting nature and each other, the community, recycling, and making new friends. We spend time outdoors, play games, go on outings, make crafts, and have fun. JOIN THE ADVENTURE!

## Maddogs Football

Maddogs Football is a program that promotes youth football in Martensville and the areas north of Saskatoon; targeting youth, Kindergarten to Grade 9 in both Flag and Tackle. They organize a fall tackle program for Peewee (Grades 6 & 7) and Bantam (Grades 8 & 9) as members of the Kinsmen Football League (KFL).

Saskatoon Minor Football offers spring flag football and fall flag football for Grades K-6 and also offer the spring six-a-side tackle program for Grades 5 through 8. Registration for Maddog Fall Tackle and Spring Flag opens online in March [www.maddogsfootball.ca](http://www.maddogsfootball.ca) or at [www.kflnz.com](http://www.kflnz.com). The Tackle program resumes at the end of August and will run until the end of October.

**Go to [www.maddogsfootball.ca](http://www.maddogsfootball.ca) or [www.kflnz.com](http://www.kflnz.com) for more information.**

## Martensville Amateur Softball Association (MASA)

Martensville Amateur Softball Association (MASA) is a Kidsport supported Non-Profit Organization that serves to promote girls' amateur softball in the city of Martensville and surrounding areas. The Martensville and Warman Softball Associations joined together to create the Twin City Angels to provide programs at both the A and B levels at the Squirt, Pee Wee, and Bantam level.

**Please visit [www.martensvillesoftball.ca](http://www.martensvillesoftball.ca) for all registration details for the upcoming season. Visit Warman's website at [www.warmanminorball.com](http://www.warmanminorball.com) for all details, more information about registration, evaluation and participating in the TCA Program.**

## Martensville Pickleball Club

The Martensville Senior Pickleball Club, as its name implies, is a group of seniors who come together to play pickleball for fun and recreation. The games provide an opportunity for light exercise with a high importance placed on friendships and socializing.

Club members currently play during Senior Drop-In times at the Martensville Athletic Pavilion.

Pickleball is a sport that combines elements of tennis, badminton and table tennis and can be played as doubles or singles. We welcome players of all skill levels. Periodic training clinics are offered for both beginners and more experienced players.

**For more information about our Pickleball Club or membership, please contact Cheryl at 306-227-5584 or Lynn Bloom at 306-476-2564**

## Skate Martensville

Skate Martensville welcomes over 125 skaters to the ice every year and provides kids the foundation for figure skating, hockey, speed skating and ringette. Skating promotes a healthy lifelong activity, fun and participation.

The foundation of Skate Martensville is the Learn to Skate Program, a complete series of balance, control and agility skills taught in six stages of learning that pertain to sport or recreational skating. CanSkate uses nationally-tested and proven curriculum and delivery methods that guarantee skater success in developing stronger basic skills and developing them faster. They recently added an adult skate program to our list of classes offered and also hold a CanSkate Funfest and a yearend carnival to showcase the skills and development of its skaters.

**For more information and all updates, please visit their website at [www.skatemartensville.ca](http://www.skatemartensville.ca) or email [skatemville.info@gmail.com](mailto:skatemville.info@gmail.com).**

## Rocky Ridge Model Railroad Club

We are a local model train club right here in Martensville. We do shows with the club layout in Saskatoon, Moose Jaw, PA, Regina, and Calgary.

**We would welcome new members any time, for more info please call Dave Peters at 306-229-1022.**

### Martensville Basketball

Martensville Basketball consists of a local Mini Dunkers program and the Saskatoon Minor Basketball Association (SMBA). Mini Dunkers is a development program for Kindergarten-Gr 2. They practice in Martensville and have games one a month against other Martensville or Warman teams. The SMBA offers a development program for Grade 3-12. You can register for their program at <https://leagues.teamlinkt.com/smba>. Registration is on-line only and closes on August 31st each year. The league runs from mid-October to mid-March with a break over Christmas. Teams will practice in Martensville and/or Warman but will play games in Saskatoon on Saturdays.

## Programming Supports

---

### Intercommunity Development Group

The Intercommunity Development Group consist of members from Martensville, Warman, Osler, Dalmeny, and Langham. The primary focus is to raise funds for children who wish to participate in arts, culture, drama, or recreation not covered by Kidsport or Jumpstart.

### Jumpstart

Help kids learn new skills, build confidence, and boost their self-esteem. Every dollar of your donation helps them get into the game. Jumpstart is a community based charitable organization that helps kids in need participate in organized recreational activities. This program will also help to fund equipment costs. The jumpstart application is on-line at <https://jumpstart.canadiantire.ca/pages/individual-child-grants>.

### Martensville Kidsport™

There are many children that are not able to participate in sport due to financial barriers. Our vision is a Canada where all children have the opportunity to participate in sport.

Throughout the year, in partnership with various businesses or organizations, fundraising and donations are sought, to support those that need financial help to participate in sports.

Donations can also be provided online at <https://kidsportcanada.ca/saskatchewan/>. Make sure to choose Warman and Area Kidsport™ as the chapter name to ensure it stays in our community. You can also drop off a cheque at the Martensville Athletic Pavilion.

Need Support? Those wishing to apply for funding under Kidsport, can apply by picking up a form at the Martensville Athletic Pavilion

## New This Year:

**Online Programming Platform** – We have been hard at work creating an online programming platform to better serve the residents in the community with opportunities such as: 1-on-1 Computers & Technology, Storybags & Mathbags, Baby Babble & Toddler Talk Parent Group, guest speakers for special seminar topics and more.

**Seeds of Wellness (Full Circle Giving)** – We are very excited to announce the new direction we are heading as we continue the Resource & Learning Centre. We will be expanding into a Food Bank & Gleaning Goods and Products Program for our local community and area. Gleaning is reaping what is left over after harvest or obtaining produce to products and necessities such as diapers, hygiene products, clothing or other necessary items among much more. It will be a program focused on collecting information and objects from various sources and re-dispersing.

# Martensville RECREATIONAL FACILITY

The hard work and dedication of countless community members is finally paying off as plans to begin construction of Martensville's new regional recreation centre is scheduled to begin in early 2023 with a targeted completion date of fall of 2024.

In November of 2022, an announcement was made stating that the Federal Government would be contributing \$17.8 million towards the project, and the provincial government would invest \$14.8 million, with funding coming from the Investing in Canada Infrastructure Program. The City of Martensville will also be contributing a total of \$11.8 million towards the cost for the \$44.5 million Recreation Centre.

In December of 2022, the Martensville Community Recreation Project (MCRP) hosted an event to officially kick off the Lace 'Em Up Campaign, which was created to help raise a total of \$4.4 million to complete the MCRP's fundraising goal through contributions from the community. All funds raised through this campaign will go towards offsetting the City of Martensville's \$11.8 million share of the cost.

"There is still much more work to be done, and we are still so passionate about seeing this project cross the finish line. We are excited to build our dreams and leave a legacy for generations to come," Jesse Reis of the MCRP stated.

At the Lace 'Em Up Campaign launch, Martensville Mayor Kent Muench spoke about the efforts of the MCRP and the events that have taken place throughout the years to help raise over \$1 million towards the project.

"Those events were all dreamt up because of this facility, but they exist now on their own. They improve the quality of life in our community and are a testament to the people who are involved," Muench said.

Mayor Muench also added that the new facility will attract major sporting and other events that will positively impact the community, as well as provide an estimated 140 jobs directly

associated with the construction of the centre, and will employ up to 70 workers on site during construction. "Once the centre is operational, the community will benefit year-round from the economic expenditures associated with it."

Ahlana Ehalt, MCRP Lace 'Em Up Campaign Co-Chair, spoke about how she knew that through their efforts and dedication, the day would arrive that they could finally celebrate the hard work paid off. "On the day I joined the MCRP, I knew this day would come. When we could stand as a community and celebrate what we did, because we did this together. It is a community that has made this possible. Let's finish this dream that we have been building together."

The new facility will be located on the west side of the Highway 12 overpass on land that will be included in a new 680 acre residential/commercial development – Trilogy Ranch. The land for the development, valued at approximately \$3 million, was donated by Canwest and North Prairie Developments in 2020. Once complete, the 145,000 square foot facility will not only include an additional ice surface, with room to expand to two additional ice surfaces in the future, but also an indoor soccer pitch, a rock-climbing wall, pitching and batting opportunities, multi-purpose spaces, cultural space, dressing rooms, practice ice, spectator seating, concession, and more.

Local residents and business owners are being asked to consider contributing to this facility, which not only benefits Martensville, but the surrounding communities as well. Donations of as little as \$17 a month over a term of five years, equaling approximately \$1000, can earn you a permanent spot on the donor wall within the new rec facility.

Information on how you can contribute to the Lace 'Em Up Campaign will be available on the MCRP website [www.mcrp.ca/donate](http://www.mcrp.ca/donate).
