Dear Mayor Muench:

Re: 2021 June is Recreation & Parks Month

Over the past year, the recognition of local parks and recreation opportunities have grown. Being able to go to the park, stroll on a community trail or simply enjoy the great outdoors has become a recognized benefit. Thank-you for ensuring that Saskatchewan residents have access to community assets every day!

Each year, *June is Recreation & Parks Month* (JRPM) is celebrated across Canada to further highlight the importance of parks and recreation services to community cohesion and individual wellbeing. We, at the Saskatchewan Parks and Recreation Association (SPRA) invite you to join us! This is an opportunity to continue recognizing the importance of local community spaces and how recreation and parks contribute to healthy people and happy communities.

"I feel so fortunate to live where we are rich with nature, trails, and parks and open spaces. With June being Recreation & Parks Month, I'm so thankful to the municipalities and the park authorities for managing trails, open spaces and recreation opportunities that support everyone's wellbeing. Nature! I love it!" - Shelley Thoen-Chaykoski, Mayor of Foam Lake

Your support for JRPM in 2021 can be shown in many ways including:

Subject: *Fixed Attachment Included* National 3-Digit Suicide Prevention Hotline

Dear Mayor and Council,

On December 11th, 2020, the House of Commons passed the following motion introduced by Conservative MP Todd Doherty, through unanimous consent, to bring a national 3-digit suicide prevention hotline to Canada:

That, given that the alarming rate of suicide in Canada constitutes a national health crisis, the House call on the government to take immediate action, in collaboration with our provinces, to establish a national suicide prevention hotline that consolidates all suicide crisis numbers into one easy to remember three-digit (988) hot-line that is accessible to all Canadians.

We're asking all municipalities across Canada to consider passing a motion similar to the one attached. In order to make 988 a reality, we must continue to put pressure on the government and the Canadian Radio-television and Telecommunications Commission (CRTC).

The past year has been a challenging year. Lives and livelihoods have been lost. We have begun to see the devastating impacts that COVID has had, through isolation, on the mental health of Canadians. The rates of suicide continue to rise. As elected officials and as leaders, and especially during this period of difficulty as a nation, Canadians are counting on all of us to make a difference.

Please consider passing this motion as soon as possible.

Sincerely,

Kelly Block, Member of Parliament
Carlton Trail - Eagle Creek

DRAFT MOTION

Support for 988 Crisis Line

WHEREAS the House of Commons has passed a motion to adopt 988, a National three-digit suicide and crisis hotline;

AND WHEREAS the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200 per cent;

AND WHEREAS existing suicide prevention hotlines require the user to remember a 10-digit number and go through directories or be placed on hold;

AND WHEREAS in 2022 the United States will have in place a national 988 crisis hotline;

AND WHEREAS the Council of the _____ of _____ recognizes that it is a significant and important initiative to ensure critical barriers are removed to those in a crisis and seeking help;

NOW THEREFORE BE IT RESOLVED THAT the _____ of _____ endorses this 988 crisis line initiative;

and that Staff be directed to send a letter indicating such support to MP Kelly Block, MP Todd Doherty, the Provincial Minister of Health, the Federal Minister of Health, and the Canadian Radio-television and Telecommunications Commission to indicate our support.
