DISCUSSION ITEMS

A) RFD – Grader Snow Wing

In 2021 the city tendered the purchase of a new grader to replace the current unit. Due to Covid-19 related production and supply-chain issues, the delivery of the grader has been delayed with the current delivery date being January/February 2022. Administration has earmarked a snow-wing attachment for the grader for the 2022 capital budget. In discussions with the grader supplier, they have informed administration that they anticipate an increase of approximately 15% for the snow wing attachment in the 2022 calendar year. Due to the grader delivery already being delayed the supplier has indicated that if the snow wing is ordered by the end of November, the snow wing could be installed by the dealer and be ready to use when the grader arrives. The supplier has also indicated that the grader snow wing would not need to be paid for until it arrives in 2022 as it will require some lead time to get in as well.

City Council had no questions or concerns.

RES: #259/11022021 (McGuire/MacDonald)

GRADER SNOW WING

“That Council approve the allocation of \$29,840 plus taxes to be expended in the 2022 Capital Budget for the purchase of a Grader Snow Wing.”

CARRIED

B) Outdoor Rink

Deputy Mayor Tyson Chillog brought forward the maintenance of the outdoor rink for the upcoming year and wondered if it was possible to have the ice flooded more frequently as well as provide shovels for patrons to use when the Zamboni is unable to flood the outdoor rink. Director of Recreation and Community Services Schaeffer did indicate that the current practice is to flood the outdoor rink only once a day, but they can work with the staff and schedulers to arrange to have crossover of staff to provide additional flooding of the outdoor rink. It was also noted that the Warmup Schack will be operational this year so there will be a place to leave shovels for patrons to use.

Council did ask to have an update of how things are going in December or January.

Attention: Mayor Kent Muench

On behalf of the Saskatchewan Senior Fitness Association (SSFA), it is my pleasure to invite your community to bid to host the SSFA 55+ Provincial Games for the year 2023.

Hopefully the Covid-19 pandemic with the current restrictions will have an impact on the number of Covid-19 cases in 2023 and that the 55+ individuals in Saskatchewan can again enjoy and participate in the Provincial 55+ Games with enthusiasm that they have been familiar with. Having said that, it would be a great opportunity for your city to have approximately 600 – 700 participants in the city. Hosting the 55+ Provincial Games will allow your city to become a strong advocate in promoting active living for all communities across the province of Saskatchewan. The eight districts in the province will hold various activities to determine participant's eligibility to compete at the provincial games. The SSFA Provincial 55+ Games had been postponed in 2020 and the City of Prince Albert is currently planning to host the 55+ Games in June, 2022. Moose Jaw hosted successful games in July 2018.

SSFA believes that enjoyable opportunities such as the 55+ Games through a variety of events have added to the active living experience for older adults. The variety of events include five pin bowling, contract and duplicate bridge, cribbage, golf, ice curling, Kaiser, bocce, pickle ball, poetry and short story writing, scrabble, bank shuffleboard, slo-pitch, tennis, 8-ball, 2 person stick curling, swimming, table tennis, track & field and whist.

The Saskatchewan Sports Council provides a grant of \$30,000.00 and a start-up loan of \$4,000.00 is provided by SSFA. It is important for a Host Community to finalize the bid and if accepted, commence to obtain sponsorships, donations and secure facilities.

The 55+ Games is a major event. The Host Committee as the result of great efforts of volunteers will be supporting the 55+ demographic and helping our many members to continue to enjoy a healthy and active lifestyle. We encourage community involvement to include older

adults in some capacity in planning the games. SSFA will provide an orientation and procedure manuals to assist in hosting the games. The SSFA Games Chairperson is also a member of the Host Committee in an advisory capacity.

I would appreciate hearing from you regarding your intention to host the games by May 31, 2022. A bid package will be sent to you for completion once you have made the decision to submit a bid to host the games. The deadline for receiving the completed bid to host the 2023 SSFA Provincial 55+ Games is September 1, 2022. The games would be held during the second week of July, 2023.

For additional information about SSFA and district activities, you can review our website www.ssfa.ca. I am enclosing a brochure. I can be contacted at 306-842-4807/306-539-8195 (cell) in Weyburn.

Sincerely,

Margaret Gailing
