3. DELEGATIONS

A) RCMP

Staff Sergeant Rob Eyre, Sergeant Christopher Cisecki (Martensville) and Sergeant Greg Todd (Warman) spoke with City Council about recent activity in Martensville. A review of Martensville Stats from January 1st – October 1st as well as Quarter 2 (July 1-Sept 30) 2015 & 2016 Incident reviews were discussed. Sergeant Todd indicated they are wanting to have a wider spread of comparisons to assist with determining where changes need to be made. The question was asked if there is reason to be concerned at this time. Sergeant Todd hopes that with the increased police presence and report comparisons there will be a noticeable change. At this time the RCMP have no concerns. City Council requested to see stats from previous years included in the comparisons as they felt going back only one year did not provide enough information to assist with implementing changes. It was also noted that the City uses the information as a benchmark when comparing themselves to similar municipalities. The RCMP agreed to speak with their analyst to get a report that will work for both parties. Mayor Muench publicly thanked Sergeant Christopher Cisecki for the great work he is doing and how great it is working with him.

Councillor Kostyna thanked the RCMP for attending.
