The funding this year is \$74,243.00. Applications from Schools, Service Groups and Targeted Groups are accepted and reviewed prior to funds being allocated. The decisions are based on the project, what benefits it provides to the group and community, the number of people served and whether it meets the criteria as established by the Sask Lotteries Trust Fund. All groups that receive funds are required to complete follow up reports, including receipts for eligible expenditures for submission to Sask Lotteries upon completion of the project. A proposed list was presented to Council outlining what groups have been selected and what funds will be allocated.
