

Nustadia Recreation Inc.
Expression of Interest
Martensville Recreation Centre

The City of Martensville, SK is constructing a new Recreation Centre that includes a 900 seat event arena, field house, small practice ice surface, 10 multi-purpose spaces, pro-shop (to be operated by 3rd party), climbing wall (to be operated by 3rd party), food & beverage concession & lounge (to be operated by 3rd party), external retail spaces (to be operated by 3rd parties), dryland / warmup area (to be operated by 3rd party), internal play structure, stick & puck area, administrative spaces, referee's change rooms, and dressing rooms per facility. Slated to open in October 2024, the facility will be the focal point of the community for many years to come.

Nustadia Recreation Inc. (NRI) is a Canadian company that provides complete turnkey development and operating management for recreational facilities across Canada. NRI was selected to manage, operate and maintain the Martensville Recreation Centre by the City of Martensville. NRI, is looking for professional services that may be interested in operating detailed services within the facility. These services include:

- Food & Beverage Operations
- Climbing Wall Operations
- Pro Shop Operations
- Dryland / Training Area Operations

If you are interested in any of these operations or services please contact Nick Frizzell, Vice President Business Development with NRI to be provided the specific EOI request.
