Martensville Official Community Plan Update – Public Notice

Take Part in Martensville's Future

The City of Martensville is reviewing and updating our Official Community Plan, and we need your help. Official Community Plans are important. They guide growth, development and change for at least the next 10 years... and Martensville is going to grow!

Tell us what you like about Martensville, and how you think it can be improved over the short and long term. Our community is growing and changing, but our Official Community Plan is over 11 years old and needs to be updated.

Your opinions and voice are being requested at an Engagement Event to be held on

Tuesday November 26, 2019 from 7pm to 9pm.

The engagement will take place in the front foyer of **City Hall at 37 Centennial Drive South.**

This event will be informative and ask you to leave with us your written comments on a variety of topics such as:

- **A Place to Call Home – Residential Policies**
- **A Thriving Economy/Martensville Works - Commercial and Industrial Policies**
- **Adding Choices to Get Around - Transportation**
- **Quality, Efficient Community Services**
- **Managing Your Taxes – Financial Policies**
- **An Environment for Future Generations – Environmental Policies**

These are only a few of the topics we hope you will comment on.

Please save the date in your calendar and come out to this important event. Snacks and refreshments will be available at the venue for all participants.
