

CITY OF MARTENSVILLE
BEAUTIFICATION COMMITTEE
WEDNESDAY AUGUST 19, 2020
MINUTES

PRESENT: Councillor Deb McGuire, Members Leslie Landru, Deb Huculiak, Director of Recreation & Community Services Ted Schaeffer

REGRETS: Councillor Jamie Martens, Jeannette Lussier

LOCATION: Northridge Community Centre

RECORDING SECRETARY: Director of Recreation & Community Services Ted Schaeffer

CALL TO ORDER: Councillor McGuire called the meeting to order at 7:10 p.m.

Councillor McGuire started the meeting by presenting the proposal for beautification of City Square and the following city entrances:

- 4th Street South
- Main Street East
- Centennial Drive North
- Centennial Drive South

Specifics (details in attached document)

City Square - create a water feature with a veteran's theme incorporated and a City of Martensville logo.

4th Street South entrance – create a feature that represents Opimihaw Creek and include a large rock with the City of Martensville logo.

Main & Centennial entrances – incorporate service club sign designed by Economic Development Officer with City logo on top.

The Committee discussed the proposal and indicated the following:

- The project should be as green/energy efficient as possible, including the use of solar options where possible.
- Strings of lights could be used on the water feature in the off season when the water is off.

The next step is to present the plan to City Council for input. If Council is in favor of the concept, prices for the projects will be solicited for inclusion in the 2021 budget.

Next Meeting

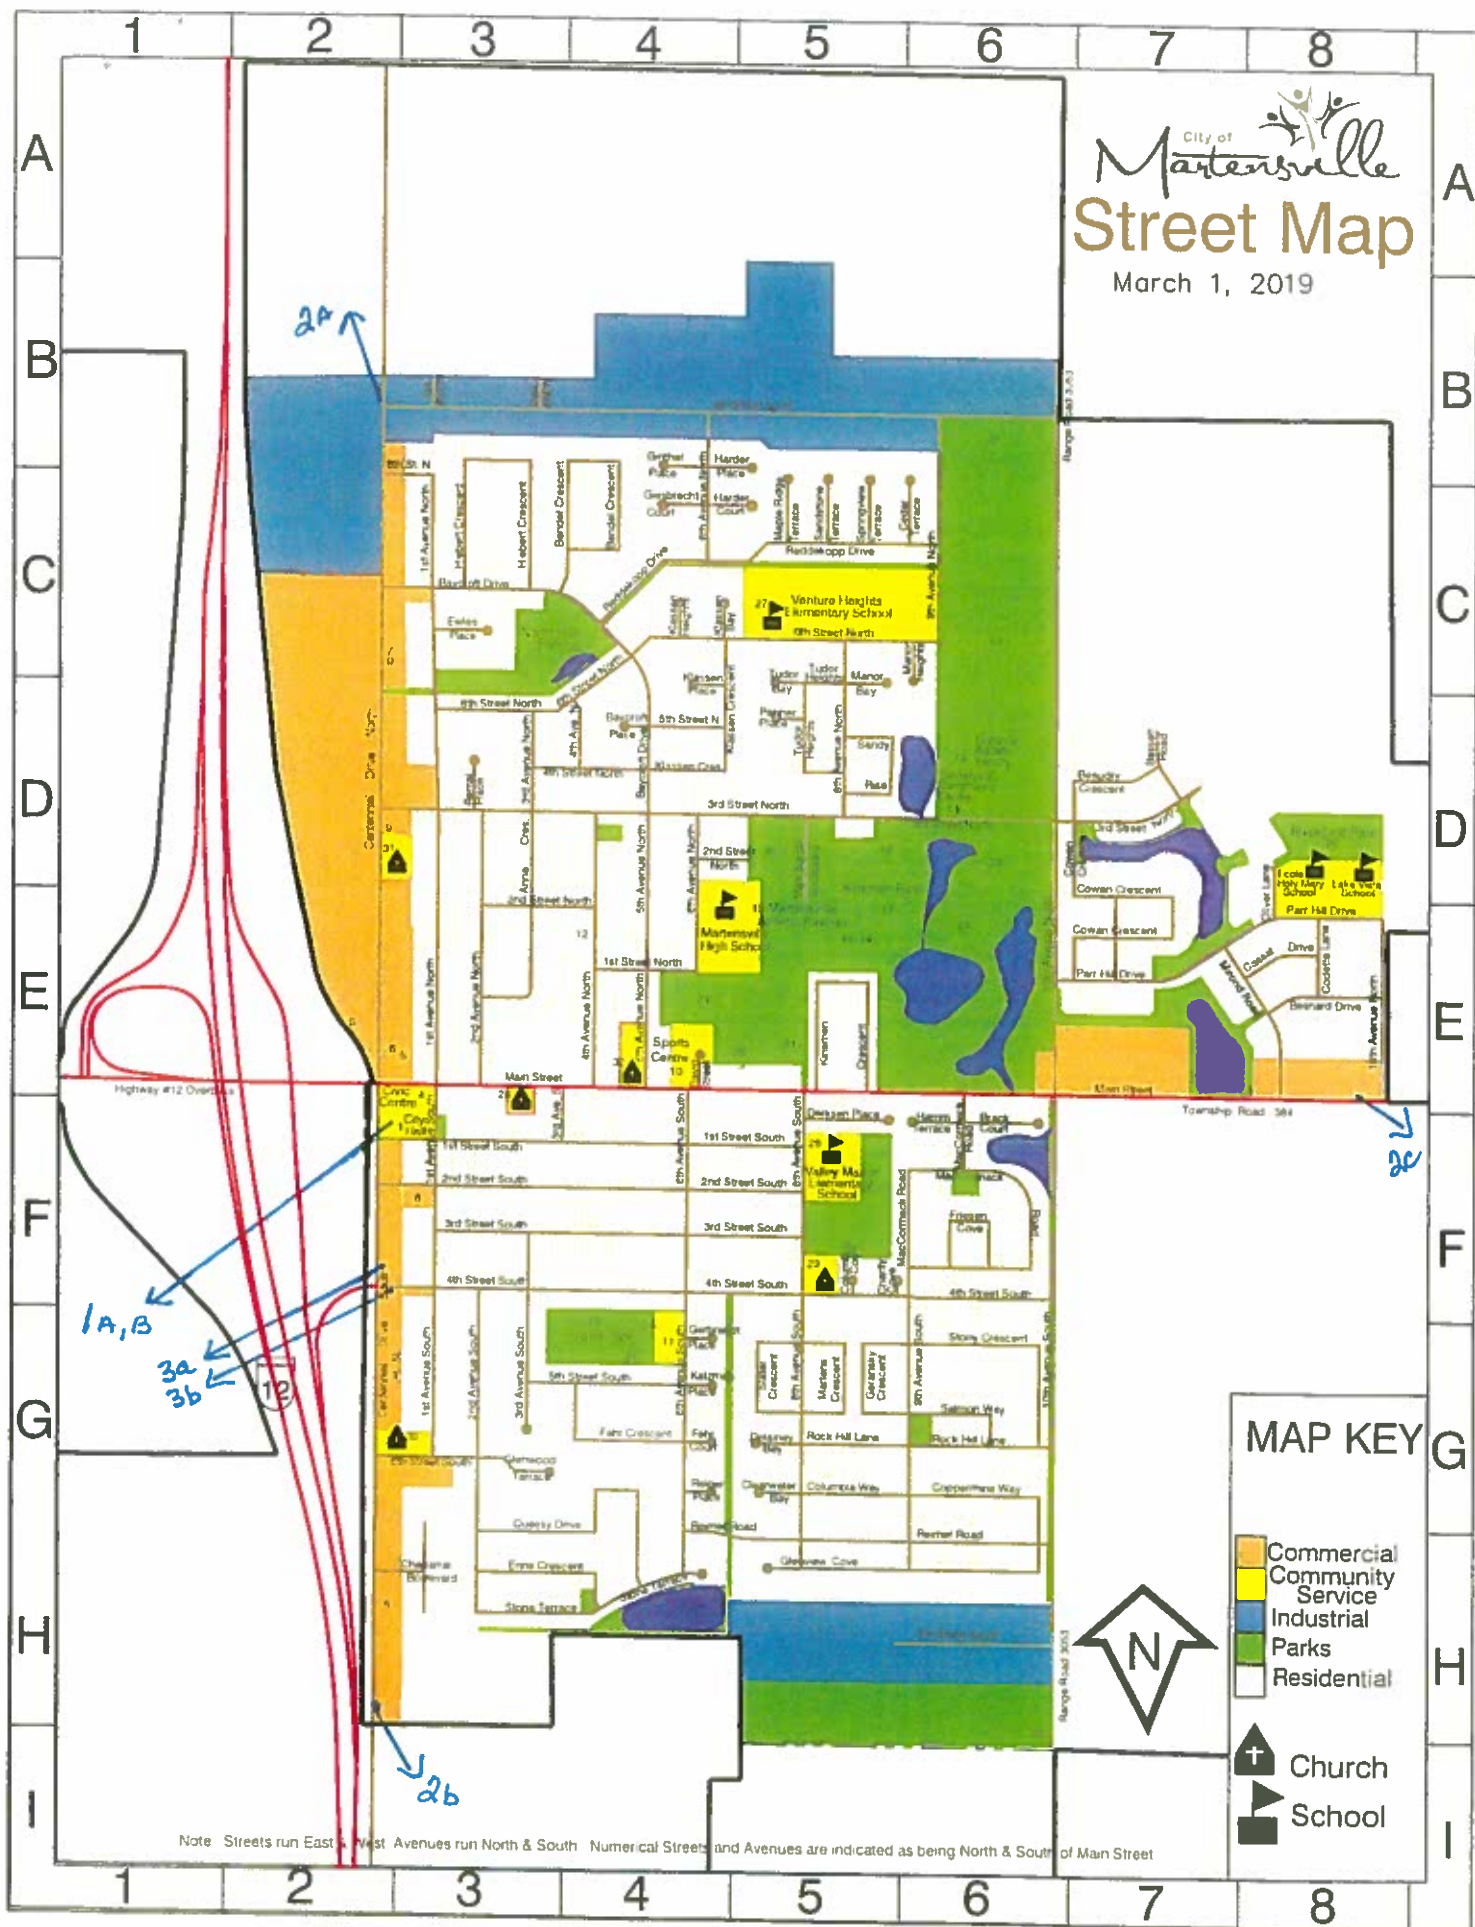

To be Determined

ADJOURNMENT:

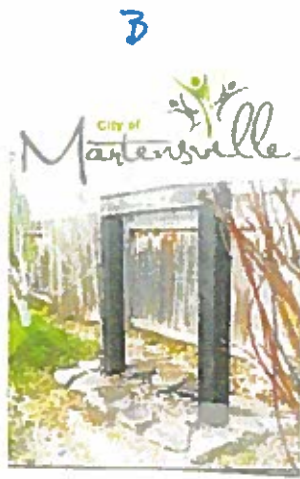

Meeting adjourned at 7:40 p.m.

City of Martinsville Street Map

March 1, 2019

1a,b

A/B - same concept, just a different designs

- shallow tank, recirculating pump (water falls from top of frame)
- large rocks placed over it so no one can play in it.

- Veterans theme incorporate with plaques down the sides of steel frame

- decorative grasses here & there among rocks

- City of Martinsville logo on top or Veterans Square

2a,b,c

- Dillon's sign with City of Martinsville logo on top

- rocks all around the bottom with decorative grasses around portions of it.

3a,b

4th Street south entrance

- black shredded tires
- pea gravel to represent Opimihaw Creek

- very large rock with "City of Martinsville" logo on rock in either metal or plastic, anchored or engraved into rock
