RCMP REPORT

COVID-19 Update

The detachment has been open throughout COVID-19. Criminal Record checks were still able to be done, vulnerable sector checks haven't been able to be done, Ottawa isn't allowing for fingerprinting at this time. Business as usual just adapting procedures to follow along with SHA orders.

2020 Performance Plan Details

RCMP is checking on prolific offenders; impaired driving enforcement is increasing; and so is visibility. There has not been any youth engagement or school visits due to COVID-19.

RCMP Mayors Reports

The mayor reports are sent out to each city regularly instead a call volumes report was presented with a comparison between 2019 and 2020. January 1 to June 30th; numbers are down a little bit largely because everything was shut down for the months of April and May due to COVID-19 this year.

NEW BUSINESS

Speeding concerns in Both Warman and Martensville.

The RCMP have been patrolling and setting up speed spies in areas reporting concerns.

Youth advisory, RCMP are hoping to start the program in September once the school is back in. As a committee Warman was identified as the best place to have a Youth Advisory Committee. Members will also include Youth from Martensville.

Met with the Chief of Corman Park Police Service and some standard operational procedure, the procedures will be rolled out soon this will help streamline who does what so there isn't a duplication of work being done. Corman Park Police services is great for visibility.

Staff Sergeant Rob Eyre has submitted his retirement, Central District will start the process to hire a permanent Staff Sergeant for Warman.

HR wise we are short staff, we have two members down with injuries, and with summer holidays we are a bit short handed.

The high-profile case in Warman, the I.C.E., Drug, and Major Crimes units have all been involved. The Major Crime, specifically the murder in Warman, the cost of that crime alone will go well over a million dollars in policing.

COMMENTS AND INQUIRES

There was an open conversation regarding youth in Martensville ringing door bells and knocking on doors at 2-4 a.m. The issue hasn't been reported to the police; a while back Warman had the help of the Neighborhood Watch program to help police these issues.

What is the goal of the Youth Advisory Committee?

Deon explained that Community Services will be running the program in conjunctions with the schools; targeting grades 10 to 12; it will give the youth a glimpse at policing, emergency services and social working; They will be meeting regularly. It was suggested for the RCMP to reach out to the school division office to help implement the program.

Mayor Spence joined the meeting at 1:11p.m.

The Advisory Board directed Deon, that the Chairs of the Advisory Board as well as Mayors and City Managers will be apart of the interview and hiring committee.

The board advised the RCMP that going forward the Mayor and City Manager of the cities be notified Immediately of any major crimes within our communities. Minimal details can be given.

Both Councils extended a 'Thank You' to Deon for all his work and the open communication.

NEXT MEETING

Wednesday, September 30th, 2020- via Zoom

ADJOURNMENT

Meeting was adjourned at 1:33 p.m.
