RCMP UPDATE

Staff Sergeant Marquis started out with a HR Update, the detachment is down some officers due to medical reasons, Sergeant Little is on lite duty and the detachment is awaiting the new Staff Sergeant to arrive. No timeline has been provided yet, all dependent on when their house sells.

September marks the ½ way point of working through the 2020/2021 Performance Plan, some things have been hard to get done due to COVID-19.

Warman, Martensville and the RM of Corman Park detachments have signed an Operating Procedures Guide to assist with getting things done amongst the detachments, so work is not duplicated.

A review of the Graphs was provided with no obvious areas of concern, the trends seem to be in line with previous years.

It was noted that the Speedspy has been set up in various locations throughout Warman and Martensville. With Covid-19 it has limited the amount of time an officer spends at the schools therefore the officer has been tasked with reviewing the speed areas.

WARMAN

Loud Vehicles – Councillor Philipchuk wanted to know if anything could be done about all the loud vehicles in town. He has had several calls of concern regarding loud vehicles. Staff Sergeant Marquis did indicate under *The Vehicle Act* the RCMP do have the ability to write tickets, it's a matter of catching the culprits in the act. It was also noted that officers are trying to have more of a presence around various parking lots in both cities in hopes to deter any trouble.

NEXT MEETING

The City Clerks are to arrange a date for the next meeting.
