ROADWORK NOTICE

MIROND ROAD ASPHALT RESTORATION

OVERVIEW

The City of Martensville is advising residents of upcoming road restrictions on Mirond Road related to additional asphalt restoration work.

Following the completion of recent townhome site servicing, a settlement issue was identified in the south watermain street tie-in. The affected area has been temporarily covered with base material to allow the road to remain open while arrangements are made for repairs.

To address the settlement issue and complete the required repaving, Mirond Road will be closed again beginning Tuesday, November 10, 2026. The same detour route used during the previous closure will be in place.

The closure is expected to remain in place until Friday, November 13, 2026, weather and construction conditions permitting.

SCHEDULE

Work and road closures will commence on Tuesday, November 10, 2026 and are expected to remain in place until Friday, November 13, 2026, weather and construction conditions permitting.

FREQUENTLY ASKED QUESTIONS

Will I still be able to access businesses on Mirond Road? Yes, access to businesses will be maintained through the 'Local Traffic Only' barricade at the intersection of Mirond Road and Besnard Drive.

Will my recycling and garbage pickup services be affected? Regular collection services will continue during construction. Residents are asked to place bins out as usual unless otherwise notified.
